**+ REFORMATION SUNDAY +
Martin Luther**

Reformation Day is an important liturgical festival that is celebrated by Lutherans and Christians of many Protestant denominations. It commemorates Dr. Martin Luther's posting of his *Ninety-five Theses* on the door of the Castle Church in Wittenberg, Germany on October 31, 1517. This act triggered the movement in world history known as the Reformation. While the historical date for the observance of Reformation is October 31st, most churches celebrate it on the last Sunday in October.

All Saints Sunday

+ SUNDAYS AFTER PENTECOST +

This is the longest stretch of Sundays of the Christian church year known by many Christians as “Ordinary Time,” “Time of the Church,” or “Time after Pentecost.” This time is neither watchful like Advent and Lent, nor celebrative like Christmas and Easter.

The Time After Pentecost relates to the time between the Age of the Apostles and the End of the World -- it relates to *now*, to the Church guided by the Holy Spirit, to our sanctification.

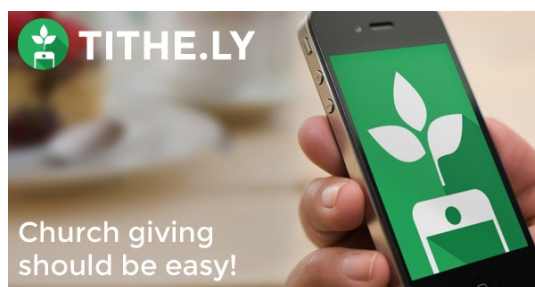

The season of Pentecost is bracketed by two major festival days. The first is *Holy Trinity Sunday* being the first Sunday after the Day of Pentecost. The second is *Christ the King Sunday* being the last Sunday in the season of Pentecost and of the church year. Both Sundays are given the color of white. The long series of Sundays in between are given the color of green representing growth as disciples of Jesus.

Christ Lutheran is signed up for online giving.

You can still give your offering in the plate at church or by mail, this is just another way to give.

Simply go to Tithe.ly website or download the app and set up an account. It walks you through a few simple steps and your ready to go!
